FALL CLASSES 2018

Learning Your Machine Class

2 hour session / \$20 Diane

This class is designed for Adult learners who own a sewing machine, and wish to learn more about the running operations. This a basic guide class, which will cover how to thread your machine, how to wind a bobbin, tension and stitch adjustments for each kind of fabric, and how using different feet makes your sewing easier!! Did you inherit a machine? Find it second hand? Order it from the internet with no support? This class will teach you how to feel comfortable with your machine and send you on your way with this basic knowledge, to sewing wonderful projects.

Tues. Sept. 18.....6:00-8:00 p.m.

Basic Sewing for Adults

Four 2 hour sessions \$85 Diane

Pre-Requisite - Basic knowledge of how to use your machine, OR Learning your machine class

Week 1- Intro and Tote Bag

In this class you will learn basic sewing terms, required notions, & fabric selection. Then you will construct a basic tote bag and learn seam finishes, topstitching and more! We will construct a basic Tote bag, tote bag kit is included.

Weeks 2 & 3-Sizing, Reading & Cutting out , and construction of pajama pants

These two weeks focuses on measuring your body for size, how to read a pattern, and construction of pull-on pajama pants. Supply list available at registration.

Week 4-Pillow with a Zipper!

Using a pattern, we will construct a pillow cover with a Zipper! We will focus on mastering a "lapped" zipper which will be useful for Home Dec & garment construction.

Tuesdays, Sept. 25, Oct. 2, 9, & 16.....6:00- 8:00 pm

Intermediate Sewing for Adults

3 hours per week 3 weeks \$90 Diane Pre-Requisite -Basic Sewing for Adults

Continuing skill building Making a Baker's Apron

Using a selected pattern, we will construct an apron which will continue building garment construction skills. We will focus on interfacing, up-stitching, top-stitching, contrasting fabrics, and elective embellishment with trims. Supply list available at registration.

Tuesdays, Nov. 13, 20, & 27 6:00 - 9:00 pm

Sew With A Pro \$30 each class Diane Pre-Requisite - Basic knowledge of how to use your machine, OR Learning your machine class

Do you have a project you would like some guidance?? Bring your machine and supplies, to work on your project for this hands on clinic/workshop. You will have the assistance of an experienced seamstress. Useful for extra time outside of current classes you might be taking here, or for that extra boost to get that project done! Please call to sign up so we can reserve your spot with the assistance of an experienced seamstress.
